

Noah

Patience in the Storm

In yesterday's reading of Genesis 6:5-22; Genesis; Genesis 8, we studied the inspiring story of Noah. Below you will find a few questions about Noah's display of patience to help you personally reflect on the study.

1. God told Noah to build an ark because he was going to destroy the earth and those on it. Has God ever asked you to do something wild in your generation? Have you had the faith and patience to do it?
2. Noah spent over a year on the ark. Is there something you have waited on God for for over a year? Did you have the same patience and faith as Noah did?
3. What can help you remember to trust God in the midst of life's storms?
4. What are three things you have learned from Noah's life story and how can you apply them to your life?
